MANY THOUSANDS CURED OF CATARRH.

Remarkable Cures Made by Pe-ru-na North and South.

MISS BLANCHE MYERS

Miss Blanche Myers, 3120 Penn street, Kansas City, Mo., a society belle of that city writes:

"During each of the past four seasons I have caught a severe cold when suddenly chilled after an evening party, and a most unpleasant catarrh lasting for several weeks would be the result.

"Last winter my brother advised me to try Peruna, as one of his club friends had been cured of a bad case of catarrh by using it. He procured me a bottle and I was much pleased to find that one bottle cured me. I shall not dread colds any more so long as I can procure Peruna."—MISS BLANCHE MYERS.

Peruna cures catarrh wherever located, with the same surety and promptness. There are no substitutes for Peruna.

Miss Hattie Becker, secretary of the Goethe Club, of Racine, Wis., writes:

"A short time ago I got my feet wet, and a cold settled on my lungs which nothing seemed to remove. Our family physician tried extracts, powders and pills, but I kept getting worse until my brother advised me to try Peruna and purchased a bottle for me.

"It acted like a charm and in a week I was like my old self once more; in fact I felt stronger and had a better appetite than I have ever had before. Peruna will have a welcome place in our medicine chest, as the whole family believes in it."—Hattie Becker.

Peruna is an internal remedy—a

scientific remedy for catarrh. It cures catarrh wherever located. Its cures last. Peruna gives strength by stopping waste.

By saving the mucus it enriches the blood.

By cleansing the mucous membranes it preserves the vital forces.

A constant drain of mucus from the system is known as systemic catarrh. This may occur from any organ of the body.

Peruna stops this waste by curing the catarrhal condition of the mucous membrane, no matter which organ may be affected. Peruna cures catarrh wherever located.

The Secret of Long Life

Consists in keeping all the main organs of the body healthy, regular action, and in quickly destroying deadly disease germs. Electric Bitters regulate Stomach, Liver and Kidneys, purify the blood, and give a splendid appetite. They work wonders in curing Kidney Troubles, Female Complaints, Nervous Diseases, Constipation, Dyspepsia and Malaria. Vigorous health and strength always follow their use. Only 50c, guaranteed by Middleburg Drug Co., Graybill, Garman & Co., Richfield, Pa., Dr. J. W. Sampsell, Pensecreek, Pa.

REMARKABLE CURE OF COUGP.

A Little Boy's Life Saved.

I have a few words to say regarding Chamberlain's Cough Remedy. It saved my little boy's life and I feel that I cannot praise it enough. I bought a bottle of it from A. E. Steele of Goodwin, S. D., and when I got home with it the poor baby could hardly breathe. I gave the medicine as directed every ten minutes until he "threw up" and then I thought sure he was going to choke to death. We had to pull the phlegm out of his mouth in great long strings. I am positive that if I had not got that bottle of cough medicine, my boy would not be on earth to-day.—Jor Buxton, Inwood, Iowa. For sale by the Middleburg Drug Store.

I gave up hope of ever recovering. Peruna cured me. I feel young again, and am gaining in flesh, as I was very emaciated. My own children are surprised in the great change in me when they come to visit me. We have made your Peruna our household remedy."—Mrs. Mary Cook.

Mr. O. Fisher, 1861 Lexington avenue, New York City, writes:

"I had catarrh and was troubled with a constant dropping from the back part of the nose into the throat, and a horrible breath. Also severe hoarseness and yellow discharge from the nose; but I haven't the slightest trouble now of those complaints, and I honestly and conscientiously state that I am cured of catarrh of the nose and throat.

"If there is anyway I can state it more positively I am only too glad to do so, and I am willing, very willing, to lend any aid in my power in helping you to induce sufferers to give Peruna a trial.

"My wife is also taking Peruna, and it is helping her wonderfully. She has improved considerably since taking Peruna. She feels fifty per cent better than she has in years, for all of which I am very thankful, as she was extremely nervous, had systemic catarrh, and thin blood."—O. Fisher.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
